MY WORK EXPERIENCE

2022-ongoing | **Ifin Sistemi srl | Software developer**
I contributed to the test team mainly using Java programming and Selenium to enhance the quality of products using Atlassian Bamboo.

2021-2022 | **Italian Army | Simultaneous interpreter**
I worked as an Italian-Arabic interpreter for Qatar Armed Forces courses in Italy.

2019-2021 | **Ojala Cafe | Owner**
I refurbished an old cafeteria and opened a new one that specialized in serving breakfasts and healthy food.

2018-2019 | **Coop Som Estudiantxs | Co-founder**
This start-up aimed at helping students find accommodation and settle down in Valencia.

2013-2016 | **Italian Police | Simultaneous interpreter**
I worked as an Italian-Arabic interpreter for the Police of Trento during my graduate studies.

2010-2013 | **Sumybric s.l | CNC Programmer**
Interpreted technical blueprints and designed models. Loaded raw materials into the CNC machine and inputted the product design into the computer modeling software.
