MY WORK EXPERIENCE

2021-2022

Italian Army | Simultaneous interpreter
I worked as an Italian-Arabic interpreter for Qatar Armed Forces courses in Italy.

2019 - 2021

Ojala Cafe | Owner
I refurbished an old cafeteria and opened a new one that specialized in serving breakfasts and healthy food. I organized everything inside the cafeteria, from the contact with the suppliers to customer service.

2018 - 2019

Coop Som Estudiantxs | Co-founder
This start-up aimed at helping students find accommodation and settle down in Valencia.

Italian Police | Simultaneous interpreter
I worked as an Italian-Arabic interpreter for the Police of Trento during my graduate studies.

2013 - 2016

Sumybric s.l | CNC Programmer
Interpreted technical blueprints and designed models. Loaded raw materials into the CNC machine and inputted the product design into the computer modeling software.

2010 - 2013
